

# Shenzhen Fullgo Security Packaging Technology Co., Ltd

## (MSDS)

### 一、Product & factory information

Products : tamper evident security tape
Products code : DCAP001
Factory name : shenzhen Fullgo Security Packaging Technology Co.,Ltd
Factory address : Room 312, No. 9 building, Longyin Road, Xixiang, Baoan District, Shenzhen, China, 518102

### 2、products information

Products name : security tape				
Thickness : 25 micron				
Raw-material			structure diagram	
Face material	Polyester film			→面材 Surface material
Glue	acrylics pressure sensitive adhesive			→粘胶 Pressure sensitive adhesive

### 3、Hazards Identification

	Health Effects : Non
	Environmental Impact : Non
	Physical and chemical hazards : Non
	Special Hazards: Non
Hazard Category : Non	

### 4、First aid measures

First aid for different exposure pathways
<ul style="list-style-type: none"><li>• Inhale</li><li>• Skin contact</li><li>• eyes contact</li><li>• Ingestion</li></ul>
Most important symptoms and hazardous effects: Non

### 5、Fire-fighting measures

Suitable extinguishing: CO <sub>2</sub> Fire Extinguisher / Fire extinguisher
Special fire fighting procedures: Non

### 6、Safe handling and storage

handle: No need special handling equipment
Store : Should be stored in a cool, dry and ventilated room, shelf life : 12 months

### 7、Exposure prevention measures

**Personal Protective Equipment:**

- Respiratory Protection : No need
- Hand Protection : No need
- Eyes Protection : No need
- Skin and body protection : No need

Health measures: Keep the air circulating

**8、Stability**

Stability: chemical and physical stability

Special conditions may be hazardous reactions : Combustible

noted condition: fire isolation, moisture

**9、Waste disposal methods**

circumstances permit burning fire or buried

**10、Physical and chemical properties**

Form :	Solid	Shape : roll
Color :	Customise	Smell : non
PH:	7	Explosion limits : Non
Density:	1.00—1.10	Vapor density (Air=1)
		Solubility in water: Insoluble

**11、Toxicological Information**

Acute toxicity: None

Inhale : None

Skin contact : None

Eyes contact : None

Ingestion : None

Local effects : None

Sensitization: None

Special Effects: None

**12、Ecological information**

Possible environmental impact: None

**13、TRANSPORT INFORMATION**

International transport regulations: No

UN Number: None

Domestic transport regulations: No

Special shipping and precautions: None

**14、Regulatory Information**

Applicable Regulations: general
